

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to giving top quality and new design concepts in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy offering items that energize both their dealers and their partners and provide production gains to their customers.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements together with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When needed, the employees within TREK and its several dealer members in both technical support and parts will be available. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machines running and ready everyday is top priority. The company's top of the line technology delivers dependable machinery that ultimately reduces your cleaning cost. The service, the product and the price all work as one to make them an industry leader.
